

SWA TRAINING

*Uncork Today,
Raise A Glass To Tomorrow*

The Wine Grape Council of SA, in partnership with Riverland Wine, has secured funding to deliver two discounted One-Day **Sustainable Winegrowing Australia (AWISSP) Viticulture Certification Training** Days for Riverland grape growers.

The training is valued at approximately \$800 and has been highly discounted at a cost of \$50 per participant (excl GST) (includes catering) and will take place at the Loxton Research Centre.

DATES & BOOKING LINKS

[TUESDAY 27th MAY, 9am](#)

[WEDNESDAY 28th MAY, 9am](#)

TRAINING PROVIDES

- Guidance on the practical implementation of the Standards
- Customisable templates and resources to support the preparation and maintenance of the Standards
- Peer to peer learning in groups.

[CLICK HERE FOR FAQ'S](#)

Registration is open now and participation is on a first-come-first-served basis. There are places available for 25 businesses per day, so please register **only one person per Business/ABN**.

If you would like to bring an additional attendee from the business, you can indicate this for catering in the registration questions, however they will not receive certification as an individual.

THIS PROGRAM IS SUPPORTED BY THE WINE GRAPE COUNCIL OF SOUTH AUSTRALIA, THROUGH FUNDING FROM THE AUSTRALIAN GOVERNMENT'S FUTURE DROUGHT FUND AND THE GOVERNMENT OF SOUTH AUSTRALIA.

For more information on Sustainable Winegrowing Australia please head to the [Sustainable Winegrowing Australia website](#)

Please ensure you enter the correct details for your business and that these correspond to the details registered for your Sustainable Winegrowing Australia membership. The details you enter in this form will be shared with the AWRI for printing on your training certificate and registration with Freshcare.
